

**PROPOSED LIME GROVE HOUSE TRANSACTION**

**STATEMENT BY THE COMPTROLLER AND AUDITOR GENERAL**

**22 SEPTEMBER 2011**

1. I refer to the publication of a report by the Corporate Services Scrutiny Panel entitled: Lime Grove House: Failure to Complete Transaction. That report proposes that I should undertake a further review of the transaction and of a number of issues which in the view of the Panel arise from the way in which the proposed transaction was managed.
2. The purpose of this statement is to confirm that I will be undertaking such an investigation.
3. As there are a number of detailed points of evidence to resolve, it is possible that the investigation may take some time. I will however use my best endeavours to publish a report as soon as possible.
